## I CAN.....

- I can read and identify details from informational text.
- I can read and determine supporting details for inferences made.
- I can summarize the informational text.
- I can determine the relationship between the central ideas and the supporting details.
- I can define words and identify the meaning within the text.
- I can identify the structure of a paragraph in informational text.
- I can identify relevant/irrelevant evidence-- credible/non credible sources.
- I can classify the evidence as relevant/irrelevant.
- I can compare and contrast 2 or more pieces of informational text.
- I can evaluate the different mediums of informational text including print, digital, and video.
- I can read and understand grade level informational text.
- I can determine the author's point of view in writing the informational text.
- I can use the correct form of technology when I communicate with my friends, family and the school staff.
- *I can evaluate information from the internet for accuracy and bias.*
- *I can understand that using info from just one website might result in me not having accurate info, and I should instead be researching other websites, too, to double check.*
- *I can identify the different types of websites based on their domain names (for example: edu, com, org, gov, net)*
