SNAPSHOT ART

Snapshot Art creates a word snapshot that can be used to give a more detailed picture of this time in your lives. Word snapshots communicate whom you are using only words and colors.

1. Brainstorm a minimum of 5 categories you will include in your snapshot. In a Google sheets, label the top of each column with the categories you chose.

Clothing	*Sports*	*Likes*	*Dislikes*
TV Shows	*Movies*	*Popular*	*Music*
Fears	*Dreams*	*Hopes*	*News*
Friends			

2. Brainstorm 20 words for each category. You will need a minimum of 100 words. If you cannot think of 20 words for each category you will need to use more than 5 categories. Using Google Spreadsheets type the words into each column. If a word is 2 words, put a ~ without any spaces between the words. Save as lastname_snapshotwords.

Friends	**Likes**
Jodi	hiking
Keith	basketball
Anne	traveling
Paul	boats
Jonny	baseball
Dennis	coaching

3. Choose your top 25 words. You should choose 5 from each category and be the most important to you. Type an explanation on a new document of those 25 words. Save it as lastname_SAexplanation. Each sentence should be a description not *"Because I like it," or "It's my favorite."*

For example:

These words are for my favorite foods:
1. Chocolate is a girl's best friend. I eat chocolate when I am happy, sad, and especially stressed.
2. Cheese, especially sharp cheddar on Wheat Thins, is my perfect after school snack.
3. Jolly Ranchers, lemon flavor, helps me survive the afternoon sleepy time.

These words are my best friends.
1. Keith is the best MSU friend some one could ask for. We watch March Madness together!
2. Paul is super fun. He takes me out on his boat to enjoy the lake.
3. Dennis is always so reliable. No matter what I can always count on him for things, like helping with car rides.

5. Take all of the words you generated in your categories list, hit command C for Copy. Then go to Tagul. Go to import words then hit Command V for paste to create a word art in Tagul. You may NOT have a back ground color.
You must save it as a PDF as lastname_SSArt.
